Campus Portal

To facilitate the verification process, and eventually speed up the scholarship renewal process, we would like to have access to your campus portal. In granting us access, you are allowing us to retrieve enrollment information for verification purposes, transcripts, and financial aid award info to comply with grants. If enough students participate, this info will make it possible for us to extract information directly from each student's portal to speed up the renewal process. At this time, providing us with your information is optional.
