A Blueprint for Success:  
Building Connections and  
Shaping Your Future

## Workshops

### **BUILDING CONNECTIONS** **4:20PM - 5:05PM**

They say your first job is only as good as your network. Initiate connections and expand your network to give your resume the spotlight to stand out from other applicants. Learn how to navigate CareerSpring and apply its tools to your career networking needs in this workshop.

### **EVALUATING OPPORTUNITIES** **5:10PM - 5:55PM**

Identifying a genuine job listing versus a scam or whether the job position is right for you is vital in this career market. Discover what to look for when reviewing job openings and how to avoid falling into a scam in this webinar.

### **TELLING YOUR STORY** **5:10PM - 5:55PM**

Sharing your journey goes beyond explaining your job history. Other experiences can be valuable to highlight your skills and capabilities. Learn how to tell your story on paper and through conversational topics in a way that displays your full talent to potential employers.

### **LOOKING AHEAD & PLANNING AHEAD** **5:10PM - 5:55PM**

Internships and extracurricular activities are just some of the many tools on your campus to strengthen your resume. This virtual workshop will help you map your career goals and learn how to use your campus's resources efficiently.

## Career Panels
